The Wodonga Cemetery is managed by the Wodonga Cemetery Trust which is made up of a group of Trustees, volunteers from the local community.

The Wodonga Cemetery is self funded and relies on the income it receives from the services provided, which include burials, ashes interments and provisions for placement of memorial plaques.

These funds are invested directly back into the operation and maintenance of the cemetery with a portion of the funds invested to ensure that the cemetery is maintained into perpetuity.

What is a Plaque/Memorial

A plaque memorial is a special marker placed at a loved one's grave to honor and remember them. The plaque usually displays the person's name, birth and death dates, and sometimes a heartfelt message or symbol. It's installed at the grave, ashes or memorial site and serves as a lasting tribute, providing a personal touch for family and friends to visit and reflect on their cherished
